## 6. General data of acquiring the certificate

Description of vocational education and training received	Percentage of total programme (%)	Total number of hours
General education part	51,0 %	at least 1118 <sup>1</sup>
Vocational part – theoretical	9,4 %	at least 206 <sup>2</sup>
Vocational part – practice/exercises	39,6 %	1737
<b>Duration of education</b>		1 – 3 years

**Entry requirements:** Completion of primary education

<sup>1)</sup> For the learner acquiring the qualification, the number of hours of the theoretical part of each general education and vocational subject may be up to 50% lower than the number of hours prescribed by the full-time education curriculum, in case all learning outcomes are achieved. The number of hours of work-based learning (practical classes/ exercises) is realised in full.

<sup>2)</sup> For the learner who had previously achieved all learning outcomes of general education subjects and some learning outcomes of vocational subjects, as proven by a public document, all previously achieved learning outcomes are recognized since they form part of the qualification additionally acquired by the student, thus leading to the duration of education being proportionally shortened.
